PERSONAL PROFILE

A creative and digitally savvy individual with a strong command of major social media platforms including Instagram, Facebook, TikTok, LinkedIn, YouTube, and X. Experienced in crafting engaging content across formats: text, image, and video paired with skills in graphic design, and video editing. Proficient in content planning, social media analytics, and running targeted paid ad campaigns with A/B testing. Passionate about digital marketing, community engagement, and using AI tools like ChatGPT to enhance content strategy and execution.

PROFESIONAL EXPERIENCE

Content Creator ISMT COLLEGE

- Produced high-quality photo and video content showcasing campus life, events, and student experiences, contributing to a 30–35% increase in overall social media engagement across TikTok and Facebook.
- Captured and edited 4–5 videos per week, alongside regular photography, maintaining a consistent stream of engaging visual content.
- Designed 2–3 social media posts per week using Canva and Adobe Photoshop, ensuring strong brand consistency and visual appeal.
- Created short-form video content tailored to high school and college students, achieving average 5K–10K views per video and improving audience interaction.
- Developed and executed content strategies focused on Gen Z audiences, leveraging trends, hashtags, and platform features to increase reach and visibility.
- Managed the full content lifecycle from ideation and scripting to daily editing and publishing ensuring a consistent posting schedule and high-quality output.
- Monitored performance using Meta Business Suite and platform insights, applying data-driven improvements that boosted engagement rates by 25%+.
- Collaborated with marketing and design teams to maintain a cohesive brand voice and support wider promotional campaigns.
- Planned and scheduled content using tools like Google Calendar, strengthening consistency and audience retention.
- Applied storytelling and audience-focused messaging to create relatable, shareable content that enhanced brand awareness among student audiences

Content Creator The Foodiety

- Created engaging promotional video content for restaurants and cafés, showcasing food, ambiance, and customer experience.
- Captured high-quality food photography, highlighting presentation and visual appeal for use in social media marketing.
- Managed and grew social media platforms (TikTok and Instagram) through consistent, trend-driven content.
- Collaborated with restaurant owners to develop tailored content strategies aligned with their brand identity.
- Handled end-to-end content production, including planning, shooting, editing, and publishing videos and photos to maximize reach and engagement.

Social Media Manager

ANIME POKHARA

- Grew Instagram from 5,000 to 7,400 and TikTok from 2,600 to 36,000, significantly increasing brand visibility and online presence.
- Managed end-to-end content creation, including filming, editing, and publishing, ensuring a consistent and high-quality posting schedule.
- Ran and optimised Meta (Facebook & Instagram) ad campaigns, improving reach, engagement, and conversion rates.
- Monitored and analysed performance metrics, using insights to refine content strategy and maximise engagement.
- Managed daily social media operations, including content planning, posting, and audience interaction, building a loyal and engaged community.
